Club Hears Reviews Of Books On Negroes

Mrs. Fay Jackson Robinson of Los Angeles presented reviews of several books concerning negros at yesterday's meeting of the Colored Matrons' club at the Y. W. C. A. She is conducting a course of study on the negro race.

Following Mrs. Robinson's talk, members discussed projects which they may take up during the year. Miss Mary Musgrove, member of the "Y" staff, suggested pottery painting, and it is likely that this will be a part of the year's work.
